NAPANEE, ONT October 20, 1915.

My Dear Dr. Falconer:-

You will remember the conversation we had some time ago with regard to the question of an address from you before our Society. It occurred to me that it would be a good plan to tell you the dates upon which we hope to hold our season's meetings and for you to select the one which suits your convenience.

We have had a very fine series of lectures throughout the last seven seasons and I am particularly anxious to maintain our standard this coming winter. The dates which we have chosen are as follows,- November 26th, December 17th, January 21st, February 25th, March 24th, April 28th and May 26th. Any of these days would be satisfactory to us and if you will choose one and let me know your choice, it will be a great convenience to us. Of course the Society will pay your expenses.

Mrs. Warner and I look forward to having you as our guest in the home when you come to Napanee and we will try to make you comfortable while here. If you are undecided as to the best subject for your address, I would suggest the one you gave at Lindsay not long ago, although of course if you would prefer to talk on some other subject, it will be just as welcome.

With sincere good wishes, believe me,

Charles M. Warner.

Dear Mr. Warner:

I hope to be able to go to Napanee some time this winter but not until after the New Year. It is possible that April 28th would suit me as well as any date. I cannot so far ahead give you any subject on which I may speak, though I am now writing a new lecture called "The New Allegiance" which possibly might be suitable.

I have to thank Mrs. Warner and yourself for your kind invitation to stay with you while I am in Napanee, but Mrs. Falconer has a sister staying there and probably she would expect me to stay with her.

With kind regards, I am,

Yours sincerely,

President.

My Dear Dr. Falkener:-

Your favor of the 21st inst.,
pleases us very much and April 28th is the best date
you could possibly have chosen. I was particularly
anxious to have that meeting a success as it is at
the close of our season and we will look forward to
having you here at that time. The new lecture to
which you refer will be a good one for us.

I will make a note on my calen-
^ader and will remind you of the engagement two or three
weeks ahead of time. It is very good of you to promise
to come.

With kindest regards, believe me,

Yours very sincerely,

Chauncey M. Warner.

Dear Mr. Warner:

I regret to find that by some mistake I consented to speak to the Waponee Historical Society on Friday, April 28th. On that evening, however, there is the regular term meeting of the Senate of the University at which I must preside. How would Tuesday, 2nd of May, or Friday, 5th of May, suit you? I am sorry to have to put you to the inconvenience of changing your date.

Yours sincerely,

President.

My Dear Dr. Falconer:-

I have your kind letter of the 25th inst. and note that you have to change your date for the address before our Society. I think that Friday evening, May 5th, would suit us best and will accordingly enter your name for that date. Some time at your leisure, I would be glad to have you let me know the subject upon which you will speak that night.

Yours very sincerely,

Samuel M. Warner,

My Dear Dr. Falconer:-

I wish you would kindly let me know what is the subject of the lecture you have decided to give us here for the meeting on May 5th. I should like to mention it in our meeting next Friday night, when Dr. Doughty is to lecture for us. If you have a subject dealing with the war or Canada's association with the war, it will be very acceptable.

Trusting to hear from you, I remain,

Yours very sincerely,

Clarence M. Warner.

Dear Dr. Falconer, -

I have made all the plans for the meeting on Friday evening May 5th at Naperville and expect to be there myself on Tuesday or Wednesday. I did not plan to entertain you because you said you were going to stay with your sister. Will hope to meet you on your arrival.

We have found our new home here very pleasant and everyone has been most kind. Of course Mrs. Warner, being a native of Boston, is right at home and I have found a great Canadian colony.

Trusting to see you on the 5th, believe me.

Yours very sincerely,
Clarence M. Warner.

Dear Mr. Warner:

It was very kind of you to write to me. I enjoyed my visit to Napanee very much and I have to thank you for your kindness in making arrangements for the meeting as well as for coming back in order to be there while I was in Napanee.

I did not see Sir Gilbert Parker's letter, but I should judge from Mr. Thompson's reply that there must have been some injudicious remarks in it even though the spirit of Mr. Thompson's letter was not all that it might be.

Yours sincerely,

President.
